	Group Art Unit	2173
	Examiner Name	Basom, Blaine T.
	Title	Method and System for Visualization of Results of Feature Extraction from Molecular Array Data

Dear Sir:

1. I, Herbert F. Cattell declare and say I am a resident of Mountain View, California. My residence address is 3386 Truman Ave., Mt. View, CA 94040.
2. I am an inventor of the claims of the above-identified patent application.
3. I am the sole inventor of the claims of U.S. Patent No. 7,027,930.
4. I have read the Office Action dated April 19, 2007 in this application, as well as the pending claims in this application and understand that the Examiner has rejected at least pending claims 15-21 and 24-37 based on U.S. Patent No. 7,027,930.
5. I hereby declare that any invention disclosed but not claimed in U.S. Patent No. 7,027,930 was derived from me, and that I am also an inventor of the present application. Accordingly, I am the inventor of claims in this application to any invention disclosed by not claimed in U.S. Patent No. 7,027,930, and thus U.S. Patent No. 7,027,930 is not "to another".

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title XVIII of the United States Code, and that such will false statements may jeopardize the validity of the application or any patent issuing thereon.

6/14-2007
Date

Herbert F. Cattell
